TOTAL PEACE OF MIND WITH A COMPREHENSIVE MANUFACTURERS WARRANTY

Our holiday homes and lodges are built to last, but we know that sometimes things can go wrong, defects arise or components fail. With all Atlas holiday homes, you can relax in the knowledge that in the unlikely event of one of these occurring, our warranty is there to protect you.

All brand new holiday homes and lodges come with a 12 month parts and labour warranty covering everything inside your new purchase.

In addition to the standard 12 month warranty, the following are covered for 2 additional years.

- Furniture manufactured and fitted by Atlas
- Shower cubicle, baths, kitchen sink, taps and sanitaryware.
- Internal doors, door handles, radiators, sockets and switches.
- Gutters, downpipes and cladding
- Dining table and chairs

After the 12 month standard parts and labour warranty, the chassis, roof, walls, floors, ceilings and external doors and windows are covered for an additional 48 months.

If you have chosen one of our models with a fully galvanised chassis then you benefit from a 10 year warranty from the date of purchase.

Terms and conditions apply. See the handbook supplied with your holiday home or lodge for details.

All photography and images are for illustration and presentation purposes only. The manufacturer reserves the right to vary the specification with or without notice, and at such times and in a manner deemed necessary. Major as well as minor changes may take effect in accordance with supplier changes and our policy of constant development and improvement.

Atlas reserves the right to change any materials, fittings, etc., shown in this brochure at any time and without prior notice as supply or product development demand. All Atlas Leisure Homes are built to comply with all relevant British Standards and Codes of Practice as required by the National Caravan Council certification scheme

NOTE: Caravan Holiday Homes are not designed for residential occupancy. To use an Atlas Leisure Home, it will need to be correctly sited, have steps or other means of entry and be connected to services (an appropriate propane gas supply, mains electricity to suit the required power offtake, mains water at a pressure to suit the appliances and a waste water/sewage outlet). Due to the nature of our construction methods and practices, it may not always be possible to match patterns precisely on some wallboards and fabrics. Any Park Operator, anywhere in the UK, can purchase an Atlas Leisure Home for you through the Atlas Dealer/Park Distribution Network. Due to the limitation of the print process we recommend that you see the actual products for colours. Photographs of Atlas Leisure Homes on location are for example only and may not have been sited at that location. Decking, patios, fences, barbecues, etc. have been used for illustrative purposes only. E&OE.

If you invest in an ATLAS Leisure Home, you can be confident that not only do you own the best in design, innovation and value for money but have also made a contribution to environmental sustainability. H2/1121/4K
